Dear Sir,

VIII 311

I propose that Mr McCombe should be appointed to act as Principal of the Maharaja's College. I also propose that Mr Adolphus should be raised to the class AI.

The precedent for superseding a superior officer is the case of Mr Last acting instead of Mr Leonard, for Mr Cook in 1892-93

The precedent for appointing a man to the Principalship without experience of the country is my own case, when I was appointed Principal on my arrival in 1890

The precedent for promoting Mr Adolphus to the higher grade is the case of Mr Leonard He was born in 1848 and on 1st July 1901 he was drawing Rupees 1000 before he was 53. Mr Adolphus was born

in 1857 and is drawing only Rs 700; and he is the better man of the two

6 2

II

The only alternative that I can suggest is to borrow the services of Mr. Dudley from the Bombay Govt. for two years. He is Headmaster of the Poona High School, and was one of the applicants for the post when Mr. McCombe was appointed. He came down to Mysore during Dussera and had a look round the place. It turns out that since Mr. McCombe was appointed, the Govt. of India has taken into consideration the question of improving the pay of Educational Officers and Mr. Dudley is not now willing to come on two years probation. I enclose for your information the general terms on which he would be willing to come. He seems to be a capable man, but I do not think he is such a good man as Mr. McCombe will turn out in time.

In either case I propose (1) that Mr. 73
Krishnamurti should take the Mathematics
of the BA classes – Junior & Senior – next year
(2) that Mr. Srikantiah should take the Kannada
work of the BA classes which will take up all his
time, next year

IV

If Mr. McCombe should be appointed to act, another
man must be appointed to assist with the English.
He should also be good at Sanskrit so as to take part
of the Sanskrit work and ultimately succeed Mr.
Venkataramanasastry. I think that the most suitable
man for this will be Mr. Narayanna of the Normal
School
